## EDUCATION

**Graduate Diploma in Health Research (GDipHR)** | University of Toronto, Toronto ON, Canada 2024-2025

**Doctor of Medicine** | Temerty Faculty of Medicine, University of Toronto, Toronto ON, Canada 2023-2027

**Bachelor of Health Sciences** | McMaster University, Hamilton ON, Canada 2020-2023

## LEADERSHIP & ADVOCACY EXPERIENCE

**President & Co-Founder** | MAMLearns, University of Toronto 2024-Present

- Organizing peer-to-peer and external workshops, to encourage beginner skill development, hobby exploration, and community bonding among Mississauga Academy of Medicine (MAM) students
- Establishing the new student group, which includes liaising with MAM staff to coordinate logistics, developing organizational policies, and preparing equitable executive hiring guidelines

**Advocacy Partnerships: Opioid Crisis Committee** | Ontario Medical Students Association 2023-Present

- Designing a panel event to provide medical students and incoming residents with practical skills in safe opioid prescribing and addiction management
- Forging relationships with multidisciplinary clinician-advocates and scientists across Ontario, to disseminate expertise to medical students

**Francophone Resource Liaison** | Sex[M]ed 2023-Present

- Raising awareness for inclusive, diverse, and comprehensive sexual health care in Canada
- Developing sexual health resources tailored to the specific needs of French-speaking communities
- Diligently applying translation principles, to ensure use of inclusive, disability-friendly language

**2024 Day of Action Delegate** | Ontario Medical Students Association 2024

- Lobbied MPPs for mental health care reform in Ontario, including improving timeliness of care for children and adolescents, as well as expanding care in rural and remote areas
- Engaged in a 2-day training conference, focused on the role of EDID in medicine, the status quo of mental health care, and political advocacy strategies

**Advocacy Co-Chair** | Bleed the North 2022-2023

- Connected with stakeholders such as MPs, MPPs, municipal officials, and grassroots organizations to achieve menstrual equity through policy and legislative reform
- Led a team of 15+ to organize advocacy projects, including a youth civic mobilization campaign
- Mentored budding leaders in interpersonal skills and political advocacy strategies

**Co-President** | McMaster Brain Research Society 2021-2023

- Oversaw a team of 12 executives, to advocate for brain research, fundraise, and connect McMaster students to opportunities in neuroscience (e.g. Q&A with thesis students)
- Coordinated an executive team restructure and expansion, focused on a mentor-mentee relationship between senior and junior executive members

**2021 Period Equity Day Logistics Co-Lead** | Bleed the North 2021

- Spearheaded Period Equity Day events to raise awareness of menstrual disabilities, including a panel of individuals with lived experiences, physicians, and scientists in the field
- Organized demonstration at Queen's Park to demand for disability and S2LGBTQIA+ inclusive menstrual and sex education in Ontario
