

Resolution: Adoption of the position paper, “Equity, Diversity and Inclusivity in Canadian Medical Institutions”

Whereas the Canadian Federation of Medical Students (CFMS) has determined a need to emphasize the importance of equity, diversity and inclusivity within Canadian medical institutions.

Whereas the CFMS therefore initiated the formation of an EDI Task Force Position Paper Sub-Committee.

Whereas the goal of the EDI Task Force Position Paper Sub-Committee was to provide recommendations regarding EDI in Canadian medical institutions.

Whereas the EDI Task Force Position Paper Sub-Committee conducted extensive research in 2019-2020 to determine the scope of EDI in Canadian medical institutions.

Whereas the EDI Task Force Position Paper Sub-Committee utilized this research to formulate a list of recommendations for Canadian medical institutions.

Whereas the recommendations are suggestions that can be implemented by the CFMS Board and working members throughout the 2021-2022 year.

Be it resolved that the CFMS adopt the position paper, “Equity, Diversity and Inclusivity in Canadian Medical Institutions”.

Financial cost:

There is no associated financial cost to the adoption of the position paper, “Equity, Diversity and Inclusivity in Canadian Medical Institutions”.

Source of funding:

Not applicable at this time.

Level of Effort of Volunteers/Staff:

The level of effort on behalf of the CFMS and its representatives will involve future advocacy efforts to support the recommendations laid out in the position paper, “Equity, Diversity and Inclusivity in Canadian Medical Institutions”.
