School Updates:

Please note that school updates are not verbally provided and are expected to have been read in advance. If an ART member is interested in highlighting or emphasizing their update aloud, they should indicate this in advance to the Director of Education.

*It would be helpful to include: if your school is currently allowing pre-clerkship observership opportunities, how easy those opportunities are to access, if your lectures occur virtually or in person, issues with pre-clerkship or clerkship curricula, access to electives (capacity issues), if elective experiences are being diminished (eg mitigating capacity issues by having too many learners on simultaneously), student stresses with COVID, and anything you think is relevant or important, **licensing examination updates***
