

**EDUCATION**

---

**University of Western Ontario** London | 2021 – 2025 (Expected)  
Schulich School of Medicine, Doctor of Medicine (MD)

**University of Toronto** Toronto | 2018 – 2021  
Department of Medical Biophysics, Master of Science (MSc)

**Yale-NUS College** Singapore | 2014 – 2018  
Life Sciences Major, Bachelor of Science (Honours) (BSc)

**CFMS EXPERIENCES**

---

**Ontario Regional Director** 2022 – Present

- Represented the interests of students at the six Ontario medical schools within the CFMS and on Royal College Regional Advisory Committees (RACs)
- Served as a CFMS representative to the Ontario Medical Students Association (OMSA), providing updates and insights during OMSA meetings, assisting with OMSA projects such as Match Day initiatives, and fostering CFMS-OMSA collaborations
- Organized and chaired the Ontario Presidents’ Round Table (OPRT) to connect MedSoc leaders across Ontario with each other, the CFMS and OMSA
- Met with VP Externals and MedSoc Presidents to discuss each school’s specific concerns, such as low student engagement, feedback on CFMS policies, and to share information
- Collaborated with the Provincial and Territorial Medical Associations (PTMA) to host insurance literacy seminars for students

**Vice Chair of the Board (Executive Team)** 2022 – Present

- Participated in higher-level organizational planning and strategic decision making with the other members of the Executive Team
- Assisted the Executive Director in planning Board and General Meetings by collating the agenda, compiling documents, and following up on actionables after each meeting
- Spearheaded the analysis of recruitment data to determine engagement and representation trends by members of each school over the past six years

**Chair of Governance Committee** 2022 – Present

- Led the review and redesign of CFMS election procedures to make the process more accessible, inclusive, and safe for candidates and voters
- Initiated the review of several CFMS policies and terms of references to ensure compliance with CFMS good governance principles and alignment with current practices
- Acted as final interpreter of the CFMS By-Laws when necessary

**Education Portfolio Dyad** 2022 – Present

- Acted as the second-in-command of the Education Portfolio, helping to oversee all Education committees and National Officers, engaging in strategic planning and Portfolio redesign, and administrating the logistics of several projects
- Chaired the Academic Round Table (ART), collated agendas, connected with each school’s VP Academic/Education, and compiled updates from the Education Portfolio
- Supported the CFMS Match Day initiatives by helping to plan available resources, matching students with peer mentors, and facilitating the Match Space Spaces session
- Advocated for student-centric updates to the electives process and portal system as the CFMS representative on the AFMC Electives Network and Immunization Working Group

**STUDENT ADVOCACY EXPERIENCES**

---

**Schulich Curriculum Committee / Student Representative** 2021 – Present
