

APPLICANT BIO

Hello everyone! My name is **Sam Tholl** (he/him), and I am an incoming third-year medical student at UBC. I'm excited to run for the **VP Finance position!** Currently, I serve as the National Officer of Services (NOS) for the CFMS. In this role, I've gained firsthand experience of the VP Finance duties and maintained relationships with 30+ national partners, securing tens of thousands of dollars of potential discounts for CFMS members. After recognizing operational inefficiencies, I secured a \$70,000 pro bono consulting contract with Deloitte to help modernize the CFMS' reimbursement process. Throughout my 10 months as the NOS, I realized there are other areas of improvement in the finance portfolio that should also be addressed, ultimately motivating me to run for VP Finance!

For the UBC MedSoc, I've served as the VP Sponsorship and Donor Relations, securing over \$15,000 in funding for student-led initiatives, launching a free document notarization service for incoming students, and implementing a faculty-wide discount program. Beyond the CFMS, you can catch me playing football for my local team and playing with my 20-year-old cat, Dragon!

Becoming involved with the CFMS has been a rewarding and memorable experience. I value improving upon pre-existing systems to create a positive impact, which the CFMS has enabled me to achieve. I encourage everyone to read my platform, and if you have any questions or feedback, I would love to hear from you.

I look forward to seeing everyone on May 3rd!

Sincerely,

Sam Tholl (he/him)
