## **LEADERSHIP SKILLS**

---

**Queen's Medicine First Year Class Council**  
*Class Vice President*

**Kingston, Ontario**  
*September 2024 – Present*

- Collaborated with the Class President in facilitating the activities of the 11-member First Year Council representing the 118 member Queen's Medicine Class of 2028.
- Planned and executed MD interview weekend programming for over 500 MD applicants in collaboration with the UGME.
- Planned and executed Orientation Week for the over 110 students of the incoming first-year class in collaboration with UGME.

**University of Western Ontario Pre-Medical Society**  
*President*

**London, Ontario**  
*August 2023 – April 2024*

- Worked closely with the core executive team to develop and maintain a club vision in accordance with its mission statement.
- Organized and attended all executive meetings, encouraging member discussions, and providing input and feedback on initiatives.
- Established and maintained working relationships with the Society's partner organizations, provided training and support to individuals on the team who require it, and directed the efforts of the club in a sustainable manner to plan effectively for future generations of the organization.

**Western University Students' Council**  
*EnviroUSC Coordinator (22-23); General Member (20-22)*

**London, Ontario**  
September 2020 – August 2023

- Managed a team of over 20 students to complete student programming on behalf of the Western University Students' Council.
- Advocated for more sustainable efforts and change at Western University by working alongside Western Housing and Western Sustainability.
- Hosted a campus-wide protest for greener practices at Western University, as a culmination to the 2023 EcoWeek that provided various programming to encourage Western students to have more sustainable practices.

**Grand Erie District School Board**  
*Student Trustee*

**Brantford, Ontario**  
August 2018 – July 2020

- Elected in 2018 and re-elected in 2019 by a group of peers to represent over 20 000 elementary and secondary school students at the Board of Trustees.

**Alexandra Hauser**  
ahauser@qmed.ca

- Met with students across the board to learn their needs and concerns, and reported to the board at bi-weekly meetings.
- Led in-school leaders at bi-annual day conferences as the Student Senate, working directly with leaders to understand student issues and represent student opinions.
- Organized Senate meetings to allow 30+ attendees to develop professional skills and advise the board on changes to improve student experience, equity, and other issues.
- Attended all meetings of the Board of Trustees, lending student input to discussion, and holding a non-counted, but recorded, voting position.

**Ontario Student Trustees' Association (OSTA-AECO)**

**Toronto, Ontario**

*Communications Working Group Co-Chair*

September 2019 – August 2020

- Developed initiatives that strengthened the public image of OSTA-AECO, including a social media campaign that drove 1000+ engagements.
- Led a working group of 20 members to achieve various goals set out to share the students' opinion on education in Ontario.

**COMMUNICATION & INTERPERSONAL SKILLS**

---

**Learning Disabilities Association of London Region**

**London, Ontario**

*Academic Tutor*

January 2021 - Present

- Taught youth grades 5-8 with learning disabilities.
- Developed lesson plans for weekly tutoring sessions, utilizing different teaching techniques and methods to enable youth to learn core skills.

**University of Western Ontario Housing**

**London, Ontario**

*Residence Soph (Orientation Leader)*

February 2023 – April 2024

- Directly supported over 40 first-year university students living in residence.
- Modelled academic determination, encouraged healthy lifestyles, and promoted positive perspectives.
- Organized and facilitated student transition from high school to university life within one of the largest orientation programs in Canada.

**PERSONAL PROJECTS**

---

**TakingITGlobal**

**Toronto, Ontario**

*Sprout Ideas Fellowship*

April 2023 – December 2023

- Recipient of 10-month guided skill-building experience that provides training, mentorship, seed grants, and additional funding opportunities in support of the project 'London Camp-In-A-Box.'
- 'London Camp-In-A-Box' allowed children from low-income families to have summer camp experiences from the comfort of their own home.
- 'London Camp-In-A-Box' contained activities and digital resources for children to reference while completing activities relating to art, science, music, and sport to allow children to learn and extend their interests beyond the classroom.
