

EDUCATION

2023 **Doctor of Medicine**, The University of British Columbia (*in progress*)
2017-21 **Bachelor of Medical Sciences, Honours Specialization in Physiology and Pharmacology**, Western University

LEADERSHIP

2024-Present | **National Officer of Services**, Canadian Federation of Medical Students (CFMS)

- Advocate for 9,000+ Canadian medical students to external organizations to form sustainable partnerships and obtain sponsorships that benefit all CFMS members
- Maintain 30+ relationships with current partners to uphold discounts offered to CFMS members, and enhance services/resources that the CFMS can offer, delivering tens of thousands of dollars of potential savings for CFMS members
- Led a 3-member team to create a structured framework for obtaining new partnerships

2023-Present | **VP Sponsorship and Donor Relations Senior**, UBC Medical Undergraduate Society (MUS)

- Represent 1200+ UBC medical students to maintain relationships with 14 donors and partners; obtained \$15,000 from sponsors to help fund graduation events, Med Ball, UBC Medicine Spring Gala, and all 1st to 3rd year class events
- Maintain the MUS fundraising information package; triage class presentation requests from external organizations; liaise with class councils and MUS funded clubs to improve coordination of sponsorship requests
- Created a free document notarization program in conjunction with a legal partner, available to 300+ incoming first year students per year

2023-Present | **Ambassador**, UBC Medical School Outreach Program

- Delivered 5 workshops to 100 high school students to spark discussions about careers in medicine, the process of applying to medical school, and how to effectively prepare your application

COMMUNITY INVOLVEMENT

2022-Present | **Founder and Director**, Vancouver Coastal Health: Three Bridges Clothing Donation and Distribution Program

- Founded a sustainable clothing donation and distribution program in conjunction with Vancouver Coastal Health and their respective harm reduction booth at the Three Bridges Community Health Center
- Distributed 7000+ clothing items to marginalized individuals while managing a \$5,000 budget for monthly operations; have been able to provide comfort and warmth for individuals experiencing housing instability and serve as a connection point to primary care services

WORK EXPERIENCE

2021-2023 | **Nephrology Clinical Research Coordinator**, Providence Research

- Coordinated 8 phase 2 & 3 international clinical trials in collaboration with six nephrologists
- Liaised with stakeholders for trial regulation, assisted with ethics, obtained informed consent
- Engaged with 30+ patients clinically to capture adverse events, collect biomedical data, provide trial instructions, and dispense study drug if required
- Obtained phlebotomy certification; drew blood for 100+ patients in a home setting
