

Student Initiative Grant Program Regional Event Funding

Each year the CFMS provides \$500 of funding to a pre-determined event in each geographical region which unites the CFMS membership of that region.

Please indicate event:

- Atlantic Medical Student Conference (MUNDal)
- Med Games
- OMSW
- Ice Bowl

Notable Points:

1. Acquisition of CFMS regional event funding does not denote CFMS endorsement of the event
2. Members should consult official CFMS policy statements or consult their regional representative for guidance if they have concerns regarding a potentially controversial event
3. The CFMS generally supports events inclusive of different viewpoints and attitudes
4. Claims are reimbursed by accountant every two weeks. All expense claims must be filed (postmarked) within 30 days of event; late expense claims will not be processed!
